

Brother Dummar

It has been a great year for learning and completion of challenges. We have memorized scriptures, and read many passages in the standard works.

Many have recieved special certificates regarding their expertise in the area of memorization and scripture ability.

All of these accomplishments have been great and are important stepping stones and blocks to build on.

Our 13 articles of seminary helped make our Seminary a better place to be and study the gospel in.

It is my hope that all of us will commit ourselves to improve in our lives as the scriptures have taught us this year, and to remember especially this scripture, " I the lord am bound when ye do what I say, but when ye do not what I say ye have no promise.

Thank you
Ron Dummar
